From the Desk of the Principal

This weekend will be a wet and wild one. By the time you get to this article, you already know the details of the events for this weekend.

Have you been considering attending Sunday School, but can't find that right entry time. You don't want to enter halfway through a series, so this weekend is a great time to start. The letter sent home today from Pastor lines out the great Sunday School Teacher lineup. This year looks to be an exciting one for the kids. Everyone meets in the gym at 9:15. From there, teachers will take the kiddos to the classes after a brief opening. Adults remain in the gym for a Bible study led by pastor.

Blessings on your weekend!

In Christ,

Mr. Manning
